INTERNAL APPEALS PROCEDURE

for complaints concerning the procedures used in internal assessment of GCSE coursework

(Please note that appeals cannot be made regarding the actual marks or grades submitted by the school for moderation by the Awarding Bodies).

In accordance with the Code of Practice for the conduct of external qualifications produced by JCQ, St Richard Reynolds Catholic College is committed to ensuring that:

- Internal assessments are conducted by staff who have the appropriate knowledge, understanding and skills.
- Assessment evidence provided by candidates is produced and authenticated according to the requirements of the relevant Specifications for each subject.
- The consistency of internal assessment is assured through internal standardisation as set out by the Awarding Bodies.
- Staff responsible for internal standardisation and/or assessment attend any compulsory training sessions.

Written Appeals Procedure

Each Awarding Body publishes procedures for appeals against its decisions, and the Examinations Officer will be able to advise students and parents of these procedures. Appeals may be made to the school regarding the procedures used in internal assessment, but not the actual marks or grades submitted by the school for moderation by the Awarding Body.

A student or parent wishing to appeal against the procedures used in internal assessments should contact the Examinations Officer as soon as possible to discuss the appeal, and a written appeal must be received

by the School at least two weeks before the date of the last external exam in the subject.

On receipt of a written appeal, an enquiry into the internal assessment will be conducted by the Examinations Officer, the Head of Department and the Leadership Team line manager for the Department.

This enquiry will consider whether the procedures used in the internal assessment conformed to the published requirements of the Awarding Body. The appellant will be informed in writing of the outcome of the appeal, including details of any relevant communication with the Awarding Body and of any steps taken to further protect the interests of the candidates.

School Policy On Enquiries About Results

The school will support all enquiries about results provided:

- a) the candidate gives written consent
- b) the candidate incurs all costs associated with the enquiry

Statement for Students:

“If at any stage during your exam courses you have concerns about the procedures used in assessing your internally marked work for public exams (e.g. coursework / portfolio / projects) you should see the Examinations Officer as soon as possible.”
